***Information Disclosure Statement***

The examiner has considered the references listed in the information disclosure statement which was originally filed November 20, 2003. Initialed copies of the citation form are attached.

It is noted that a "Request for Verification of Consideration of IDS Previously Submitted" and a copy of this Request were faxed to official USPTO fax numbers on September 29, 2004 and October 14, 2004, respectively. However, both faxes included on their cover sheets a reference to Serial No. 10/745033, whereas the present application has Serial No. 09/745033. Therefore these earlier fax submissions were matched with the incorrect file. The error was discovered when a copy of the information disclosure statement and the Request were faxed directly to the examiner via the "RightFAX" system on November 2, 2004. The examiner has submitted an internal request to have the relevant documents from the 10/745033 image file transplanted to the 09/745033 image file.

***Conclusion***

Any inquiry concerning this communication should be directed to Mike Stahl at (571) 272-2360.
